

Still Waiting to Receive your Employee Retention Credit (ERC) Refund Check?

Receiving Employee Retention Credit (ERC) refunds can take up to 12 months+. Why wait when you could use your money today!

LEARN MORE

WHY WORK WITH US?

FAST

We know you need your money now, so Finance ERC buys your ERC refund as soon as you file. You get paid today, and we get paid when the ERC check arrives, which can take up to 12 months.

EASY

From application through funding, we do all the heavy lifting, so you can focus on doing what you do best, growing your business.

ECONOMICAL

Unlike a loan or sales-based financing product, there are no daily, weekly, or monthly payments against the money we provide you today. *

Requirements: You are the business owner or partner, have filed for your ERC >\$75K, & you have filed your 2021 tax return.

*We buy up to 70% of the total ERC amount. This is not a lending product. There are no out-of-pocket costs. We require no daily, weekly, or monthly payments against the money we provide you today.
